**CITY OF YELLOWKNIFE  
BY-LAW NO. 4436**

A BY-LAW of the Council of the Municipal Corporation of the City of Yellowknife in the Northwest Territories, to consolidate and otherwise establish the fees and charges payable for the City's products, programs, services, public utilities, infrastructure, and facilities.

PURSUANT TO the relevant sections of the *Cities, Towns and Villages Act* S.N.W.T. 2003, c. 22, and particularly section 72(e), which allows municipalities to establish, by by-law, fees or other charges for products, programs, services, public utilities, infrastructure and facilities provided by the municipality and for the use of property under the ownership, direction, management or control of the municipality.

WHEREAS the Council of the Municipal Corporation of the City of Yellowknife deems it expedient and wishes to both consolidate and update the various fees and charges to be collected by the City of Yellowknife;

NOW, THEREFORE, THE COUNCIL OF THE MUNICIPAL CORPORATION OF THE CITY OF YELLOWKNIFE, in regular sessions duly assembled, enacts as follows:

**SHORT TITLE**

1. This By-law may be cited as the Fees and Charges By-law.

**INTERPRETATION**

DEFINITIONS

2. In this by-law:

"City" means the Municipal Corporation of the City of Yellowknife in the Northwest Territories established pursuant to the *Cities, Towns and Villages Act*;

"Cost of Service" means the dollar value equivalent for the direct and indirect costs of providing a program or service as calculated by the *Senior Administrative Officer*;

"Payment Plan" means a plan for the payment of a fee or charge as set out in the City's Financial Administration By-law;

"Person" means an individual human being or a corporation and includes a partnership, society, and an association or a group of persons acting in concert unless the context explicitly or by necessary implication otherwise requires; and

"'Program or Service' or

'Program and Service'" either of these phrases when used in this by-law with respect to fees or other charges includes fees or other charges for products, programs, services, public utilities, infrastructure and facilities provided by the City and for the use of property under the ownership, direction, management or control of the municipality.

3. In this By-law all other terms, phrases and their derivatives as set out in the attached schedules shall have the meanings given in the by-law (including any amended or successor by-law) referenced in the individual Part of the Schedule.
4. If or when the terms, phrases or their derivatives are not consistent with the context, words in the present tense shall include the future, words in the plural context include the singular, and words in the singular number include the plural. The word "shall" is always mandatory and not merely directory. Words not defined shall be interpreted in accordance with the *Interpretation Act*, R.S.N.W.T. 1988, c. I-8 and the *Cities, Towns and Villages Act*, S.N.W.T. 2003, c. 22 and if not defined in either of these Acts, they are to be given their common and ordinary meaning.
5. The marginal notes and headings in this by-law are for reference purposes only.

6. Any Act, Regulation or By-law that is referred to in this By-law shall be interpreted as including any successor Act, Regulation or By-law.

#### APPLICATION

##### FEES ESTABLISHED

7. Council hereby establishes the fees and charges as set out in Schedule "B" to this By-law. The By-laws set out in Schedule "A" are hereby amended as described in that schedule.

##### FEES AND CHARGES IMPOSED

8. The City may impose fees and charges for its *programs or services*:
  - a) at the time the transaction is initiated; or
  - b) upon receipt of the service; or
  - c) if subsection 8. (a) or (b) are not applicable, upon the due date specified in any invoice issued by the City to any person in connection with a fee or charge imposed by this By-law.
9. The *Senior Administrative Officer* may prescribe terms and conditions for billing customers and payment plans that do not otherwise contradict the provisions of this By-law or the Financial Administration By-law.
10. The fees and charges imposed by this By-law do not include any federal or other taxes, which shall be added where applicable.
11. No request by any person for a *program or service* as described in Schedule "B" will be processed or provided unless and until the person requesting the *program or service* has paid the applicable fee or charge in the prescribed amount set out in Schedule "B", or the *Senior Administrative Officer* has granted permission for the service or use of City property to be provided in advance of an invoice being issued, or has waived the fee in whole or in part.

COLLECTION

12. The City may actively and vigorously pursue the collection of outstanding receivables when the *Senior Administrative Officer* is satisfied that collection is reasonably assured and administration fees are reasonably warranted. The *Senior Administrative Officer* may limit collections if he or she believes that collection efforts are likely to cause or compound financial hardship.

PARAMOUNTCY

13. Where this By-law establishes a fee or charge for a fee or charge that has been established by By-law, resolution or other manner that predates the effective date of this By-law, the fee or charge in this By-law shall be the applicable fee or charge.

INTEREST

14. Unless otherwise prescribed by a payment plan, or directed by the Senior Administrative Officer, any portion of a fee or charge that remains unpaid beyond the date fixed for payment shall accrue interest at the rate of 1.8% per month thereafter until such fee or charge is paid in full.

NON-PAYMENT OF FEES AND CHARGES

15. The fees and charges imposed pursuant to this By-law on a person constitute a debt of the person to the City. Where there is statutory authority to do so, the *Senior Administrative Officer* may add the fees and charges imposed by this By-law to the tax roll for the property in the same manner as municipal taxes.

**SEVERABILITY**

16. The provisions of this By-law are severable and the invalidity of any part of this By-law shall not affect the validity of the remainder of this By-law.

**SCHEDULES**

17. The attached Schedules form part of this By-law.

**EFFECT**

18. This By-law shall come into effect upon receiving Third Reading and otherwise meeting the requirements of s. 75 of the *Cities, Towns & Villages Act* unless a later date is set out in Schedule "B".
