ENVIRONMENTAL PROGRAM

Get Ready for Bluefish!

The City is getting ready to run the storm drain marking program again this summer! The marking program, aimed towards children, has volunteers paint blue fish by storm drains to raise public awareness that items entering the storm drains end up in nearby lakes, and can destroy habitat that fish and aquatic life need to survive.

Anyone interested in volunteering some of their spare time to take part in the painting, either on weekends or weekdays (both kids and adults are welcome!), should contact the Environmental Coordinator at 920-5689.

PUBLIC CONSULTATION

Gerry Murphy Site

In follow up to public presentations made to the City in June 2004, the Council of the City of Yellowknife will continue the public consultation process regarding future use of the Gerry Murphy site early in September 2004. Please note that further information and specific dates for this process will be forthcoming in July 2004.
