NOTICE

2007 Citizen Survey

Ipsos-Reid, a professional public opinion research company will be conducting the City of Yellowknife's annual telephone survey over the next two weeks. It is a random scientific survey; and as such, not all residents will be contacted. However, if you wish to complete the survey, you may call 1-888-264-8773 toll free until **5:00 p.m. on Sunday, April 8, 2007**. You will be asked to leave a message and your call will be returned so that you can complete the survey. These results will be reported to Council, though separately from those of the random scientific survey. Your feedback is welcomed, as the Citizen Survey is a tool used by Council to make budgetary and other important decisions!

VACANCY

Wildcat Cafe Advisory Committee

The City is currently accepting applications for a member at large to serve on the Wildcat Café Advisory Committee. The Wildcat Café Advisory Committee assists the City of Yellowknife in an advisory capacity to promote the successful, cost effective operation of the Wildcat Café as a living heritage dining establishment.

Applicants should submit a Letter of Application explaining their interest in serving on the Wildcat Café Advisory Committee to the City Clerk, City of Yellowknife, City Hall, Yellowknife, NT; fax to 920-5649; or email to cityclerk@yellowknife.ca. The deadline for receipt of applications is **Friday, April 13, 2007**.

For further information or Terms of Reference for the Wildcat Café Advisory Committee, please contact the Community Services Department at 920-5634.

EMPLOYMENT OPPORTUNITY

Network Administrator

Under the general direction of the Manager, Information Technology, the incumbent is responsible for the development, operation and maintenance of the City's network infrastructure, including computing platforms, network equipment, and communications, and applications. This includes evaluating, acquiring, configuring, deploying, and maintaining equipment; developing, implementing, and enforcing policies and procedures to meet the City's network objectives; and serving as a liaison with user departments to properly develop and utilize information technology infrastructure to deliver maximum benefits to the users and the City.

The incumbent must possess demonstrated technical support expertise in a complex network environment. The work requires extensive knowledge of CISCO hardware and software, current operating systems, networking concepts (including routers, switches, firewalls, IP addressing, and domain name services), TCP/IP, routing protocols, and a variety of transport technologies. It also requires expertise in the installation, configuration and support of traditional and blade servers, VoIP equipment, SAN devices, MS SQL 2005 database support, and Citrix support. Experience with cluster technologies, Unix environments, and Toshiba CTX systems is also desirable.

The position requires the ability to diagnose and resolve complex hardware and software problems. Proficiency in the use of desktop productivity software and document management systems is essential, as is a solid understanding of and fluency in technical jargon relevant to computing and software licensing. A post-secondary degree in computer technology or comparable experience in a technical support capacity is required. The incumbent should have a minimum of five years of experience implementing, supporting and maintaining critical systems in a multi-platform environment in a mid-sized organization and possess current industry certifications in technologies relevant to the City's infrastructure.

The salary range is \$69,102.00 - \$86,379.00 with an additional \$5,400.00 annually for Housing and Vacation Travel Allowances and a comprehensive benefits package.

Submit resumes in confidence no later than **5:00 p.m. on, Friday, April 13, 2007**, quoting competition #120-121M to: Human Resources Division, City of Yellowknife, P.O. Box 580, Yellowknife, NT, X1A 2N4; email: hr@yellowknife.ca; or fax: (867) 669-3471.
