The workshop will feature a demonstration of a good performing woodstove and poor performing woodstove. Topics discussed will include: Installation safety; Burning Without Smoke; Firewood; Maintaining a System; Locating a Chimney; Wood Heat Options and Health and the Environment.

For more information call the City at 920-5678 or e-mail bfandrick@yellowknife.ca.

FIRE SAFETY AND EDUCATION

Electrical fires have contributed to hundreds of fire deaths annually. Here are some safety tips to ensure your home is electrically fire safe:

- replace or repair loose or frayed cords on all electrical devices,
- avoid overloading receptacles,
- plug only one high-wattage appliance at a time into a receptacle outlet,
- never use electrical cords as a permanent power supply,
- use power bars instead.

Fire Safety Begins with YOU!
