OPPORTUNITIES FOR INPUT

Traffic Survey

As previously reported, the City retained the services of iTRANS Consulting Inc. to prepare a detailed Transportation Improvement Study.

As part of the study, the City and iTRANS will conduct two public surveys. The first, a telephone survey, will be conducted over the next few weeks. City representatives will call several hundred City residents at random inquiring about, amongst other things, their driving habits, their driving destinations, and the number of times they travel in their cars each day. The second survey, a detailed roadside survey of motorists, will be conducted later. It will ask similar questions about the nature of vehicle travel in the region.

The City is asking residents to give a little bit of their time and accommodate the representatives' questions about their driving habits. The information the City expects to gain from the surveys will be invaluable in guiding future transportation planning as the City continues to grow and will allow the City of Yellowknife to continue to provide the highest level of service possible during your commute.

For more information, please call the City at 920-5633 or jhumble@yellowknife.ca.

INVITATION TO TENDER

2008/2009 Street Sand Requirements Project No. 08-051

The City of Yellowknife invites Tenders for the crushing, hauling and stockpiling of granular material for the 2008/2009 street sanding program. An estimated four thousand (4,000) m³ of crushed aggregate will be required. However, the City reserves the right to vary the quantities to meet snowfall conditions and budget constraints.

Tender documents may be obtained on September 26, 2008, from the City of Yellowknife Public Works Department at City Hall. Documents can also be viewed online at www.yellowknife.ca on the Bidding Opportunities page.

Prices are to include all labour, materials, supplies and incidentals associated with crushing and hauling 4,000 m³ F.O.B. to the City's Public Works Garage Compound and stockpiling therein (GST included).

Sealed tenders should be marked *Tender 08-051 - 2008/2009 Street Sand* and addressed to: Manager, Public Works and Engineering, City of Yellowknife, P.O. Box 580, 4807 - 52nd Street, Yellowknife, NT X1A 2N4 .

Tenders will be received until **1:30 p.m., local time, on Friday, October 10, 2008**, at which time the tenders will be opened in public. Tenders received after the specified closing will not be accepted. The work must be completed no later than December 31, 2008.

The City reserves the right to reject any or all of the tenders or to accept the tender most favorable to the interest of the City.

Arrangements for viewing and inquires regarding this tender should be directed to Municipal Works Engineer, Department of Public Works and Engineering at (867) 920-5637.

FIRE SAFETY AND EDUCATION

Do you have a fire extinguisher? Do you know how to use it? Is it easily accessible and close to an exit? Has it been serviced within the past year? A fire extinguisher is very handy to extinguish those SMALL fires, preventing the room and then the house from burning. However, ensure you know how to use it BEFORE you need it. Place it in the path of travel to the door to keep it accessible. Annual servicing keeps it ready to use – ensures that it hasn't lost pressure and that the powder hasn't caked. For more information, please call the City at 766-5502.

TENTATIVE AGENDAS

Council and Committee Meeting

Please note that there are no regular meetings of City Council or its Standing Committees scheduled for the week of September 29, 2008.

Regular meetings will resume October 6, 2008.

NOTICE

Somba K'e Civic Plaza Construction

Progress Photos

Residents can follow the progress of the Somba K'e Civic Plaza's development on the City's website at www.yellowknife.ca, where photos and reports will be posted along with the conceptual plan for the park.

In order to construct this beautiful new park, the City would like to note the following unavoidable disruptions:

Access to City Hall

Access to City Hall has changed. Residents will no longer be able to walk up the front steps; they will need to come in on the new path to the Municipal Enforcement Division front entrance to get to City Hall.

City Hall Parking/49 Avenue

Visitor parking for City Hall has been relocated to the current Somba K'e park, next to the old Gerry Murphy site. 49 Avenue is currently under construction and is open to **local traffic only** which include conducting business at City Hall. Disabled parking spots and loading zones are still available along 49 Avenue until further notice.

Bill Payments

During construction, City Hall will be open for business and payments can continue to be made with the receptionist during regular business hours. Please use caution when walking to City Hall and through the construction zone. The City would like to remind its residents that **online payments** are also available. Please visit the City's website at www.yellowknife.ca to use the City's online payment service.

Trail Redirection

The Frame Lake Trail will remain open; however it will be diverted away from the waterfront. Please use caution when walking near the construction area.

The City thanks residents for their patience. For more information, please call the City at 920-5634.
