YELLOWKNIFE TRANSIT

Revised Routes

To facilitate a 30 minute schedule Yellowknife transit routes have changed. The changes are as follows:

Revised Routes 1 & 3:

Routes 1 & 3 will continue in their present form with the exception of not providing service to the airport. This is due to the current bus service being chronically late and low ridership at the airport. The revised routes will enable the City to provide a consistent 30 minute schedule. In addition, the Co-op has offered to place a bus stop by its front doors, enabling residents to wait inside during colder months.

Revised Route 2:

Route 2 will continue in its present form in its entirety. However, it will now have a 40 minute service.

New schedules are available at City Hall, Village Reddi Mart, Reddi Mart (downtown), Direct Charge Co-op and Sutherland's Drugs. Printable versions are available on the City's webpage at www.yellowknife.ca then follow the Residents link to Bus Schedules.

For further information, please call the City at 920-5637.

CALL FOR DEVELOPMENT PROPOSAL

Bartam Trailer Park

The City of Yellowknife is calling for development proposals from qualified land developers who wish to purchase and develop the parcel of land, formerly known as Bartam Trailer Park (see sketch below). Approximately 7900 m2 in area, the combined properties are offered as a single parcel which is suitable for commercial, residential, or combined commercial/residential development in accordance with OM – Old Town Mix Zone.

Information packages may be obtained from the Planning and Lands Division in City Hall. Proposals must be submitted to the Planning and Lands Division on or prior to **4:00 p.m on Wednesday, October 12, 2005**. The highest or any offer to purchase will not necessarily be accepted and the City reserves the right to reject any or all of the proposals and further negotiate with any applicant. Inquiries concerning the property and process should be directed to the Planning and Lands Division at (867) 920-5672.

DID YOU KNOW...?

School Zones & Pedestrian Crossings

Did you know that speed restrictions within School Zones are in effect 24 hours a day, 365 days per year? Drivers should also remember that when stopping at crosswalks, you should halt your vehicle at the stop line at the crosswalk and not stop within the crosswalk. The new school year has begun, and drivers are reminded to be alert of children crossing the road and exercise particular caution.
