Amanda Mallon /City Councilor

Yellowknife NT

Dear Ms Mallon,

The Status of Women Council of the NWT is an advisory agency to the Government of the NWT, with a mandate to promote the political, economic and social equality of women in the Northwest Territories. The Council co – chairs a territorial Coalition against Family Violence.

The Coalition against Family Violence NWT is a group of concerned people who work together on family violence issues. Its members include territorial and community-based groups, both federal and GNWT government departments, and individuals. The Coalition was formed in 1999, when government and non-government organizations began meeting in Yellowknife.

On behalf of the Coalition against Family Violence we support and encourage the city of Yellowknife to rename the Gold Range Street 50th Street to Angel Street on your June 22, 2010 meeting.

It is truly important for all levels of government to address issues of violence in our communities.

Thank you,

Lorraine Phaneuf
