

# Recycling Awards

The City of Yellowknife and the Solid Waste Management Advisory Committee hand out recycling awards to groups who have demonstrated an effort in reducing, reusing or recycling waste through innovative means. These awards are handed out during the Earth Week Public Forum which is usually at the end of April.

If you have any questions regarding the process or to enquire how to submit a nomination, please contact the Administrative Officer, Public Works & Engineering on behalf of the Solid Waste Management Advisory Committee at [amorley@yellowknife.ca](mailto:amorley@yellowknife.ca) or call 920-5653.
