| <p>RCMP (Royal Canadian Mounted Police)</p> | <p>The RCMP is responsible for enforcing all matters under the <i>Criminal Code of Canada</i>.</p> <p><u>Examples of enforceable matters include:</u></p> <ul style="list-style-type: none">• Theft, break-ins, or vandalism• Assault or verbal threats• Drug possession, use, or trafficking• Intoxicated individuals presenting a danger to themselves or others• Trespassing or refusal to leave private property• Suicidal/self-harm/mental health issues <p><i>Note: Only RCMP officers have the authority to detain, arrest, or forcibly remove individuals from private or public property.</i></p> |
| <p>MED (Municipal Enforcement Division, City of Yellowknife)</p> | <p>MED helps keep Yellowknife safe by enforcing most City bylaws and some territorial laws, such as the Motor Vehicle Act and Dog Act. Officers aim to engage with individuals and encourage voluntary compliance. Enforcement is used only when necessary. If an issue is beyond MED's authority, they may contact Line Drive (private security) or refer the matter to the RCMP.</p> <p><u>Examples of Authority:</u></p> <ul style="list-style-type: none">• Issue tickets for parking violations• Respond to noise complaints with warnings or fines• Enforce cleanup of garbage or unsightly properties through orders or notices <p><u>Limitations of MED Authority</u></p> <ul style="list-style-type: none">• Loitering is not currently prohibited by City bylaw or Territorial Act, either on private property or public sidewalks.• While MED is authorized to direct individuals to leave City property, MED has no authority to remove individuals from private property.• Verbal harassment, unless it involves a specific criminal act, is not enforceable under City bylaws.• Public intoxication is not a bylaw offence. MED cannot arrest or detain individuals in these situations. |

|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <div>Line Drive</div> | <p>Line Drive Outreach offers compassionate, non-emergency support to individuals who are under the influence or in distress in public areas. The program is focused on harm reduction and community wellness.</p> <p><u>Line Drive Outreach's Objectives:</u></p> <ul style="list-style-type: none">• <i>Ensure Public Safety:</i> To provide safe and reliable transportation and reduce the risk of accidents, injuries, or fatalities caused by individuals under the influence,• <i>Support Vulnerable Populations:</i> Provide compassionate assistance to individuals who appear to be homeless and under the influence, ensuring they receive a safe ride to a supportive location or assistance on the street, based on their immediate needs.• <i>Reduce Strain on Emergency Services:</i> To alleviate the burden on law enforcement, emergency medical services, and hospitals by offering an alternative response to non-emergent matters.• <i>Promote Community Wellness:</i> To foster a safer, more supportive community environment by addressing the needs of at-risk populations in a humane and effective manner.• <i>Collaborate with Community Organizations:</i> To work alongside shelters, sobering sites, social services, RCMP, and Health Care Providers to connect individuals with additional resources and long-term support. <p><i>Note: Participation is voluntary.</i></p> |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
