The Mayor has sent a letter to the YDFN, inviting the band to nominate one of their members to sit on the Heritage Committee. The North Slave Metis Alliance (NSMA) have contacted D. Finch to express an interest in also having Metis representation on the committee.
- b) **Historic Sites & Monument Board of Canada Plaque**  
Administration suggested that a site adjacent to Rotary Park might be an appropriate place to erect a plaque commemorating Northern Ice Roads.

***Action: Administration to email the Committee a document providing more detail about the proposed plaque site.***

- c) **Proposed Plaques Update**  
City Council has approved the Committee's recommendation to update several of the heritage plaques, however, the proposed Back Bay site needs more research before being plaqued. Yellowknife historian R. Silke and the NSMA have discussed use of the site by indigenous people for many generations, and some mention of this should be included. Members of Committee felt that the text proposed for all of the plaques was too wordy and suggested that a specialist in interpretive writing be called in to edit.

***Action: Administration to seek an appropriate contractor to revise the text proposed for the plaques.***

- d) **Bobbie Drygeese Cultural Tours**  
Administration has contacted the tour operator to request that he set up a tour for the Heritage Committee in January 2016.
- e) **Back Bay Cemetery**  
Committee noted that over the years, several parties have declared an interest in the land where the cemetery is situated however, it doesn't matter who owns the land as the Heritage Committee is only seeking permission to access the site and protect the graves.

D. Finch moved,  
A. Cartwright seconded,

***Action: Administration to contact GNWT Department of Lands and Department of Aboriginal Affairs and Interdepartmental Relations with regards to jurisdiction of the lands regarding the Back Bay Cemetery for the purpose of preserving and protecting the gravesites.***

This year's theme will be "performance", celebrating Yellowknife's history of theatre, music, and dance performed by members of the community. Highlights of 2016 Heritage Days will include the ever-popular Music Night at the Wildcat Café and a bus tour, along with other attractions yet to be decided. Members suggested that an additional meeting be scheduled for the month of January, specifically to finalize the details of Heritage Days.

10. There was a heritage plaque on the side of this building, but the owner removed it during renovations. He has advised the City that he does not want the heritage plaque put back on his building.

### **Arts & Heritage Conference (<http://artsbc.org/new/>)**

12. One member suggested that the Committee might want to send the Chair or another member to this conference. Administration advised that, if it could be shown that attendance would help the City to develop its arts/heritage/culture strategy, then it might be easier to find funding to send someone. It was recommended that the Committee monitor the conference website for information about the workshops that would be offered and gather feedback from jurisdictions that have sent representatives to previous conferences.

***Action: Administration to research the conference, seeking linkage with Council's Goals and Objectives.***
