### **4. CONDITIONS OF THE PROPERTY**

- 4.1 For the purposes of this Agreement, the parties agree that the Property is sold in an "as is condition" and the City makes no warranty or representation as to the developability of the Property, nor with respect to any soil conditions or other geotechnical

considerations or services available to the Property, and the Purchaser further acknowledges that the Purchaser has inspected the Property and is aware of all physical and legal aspects pertaining to the Property, and that this agreement contains the entire agreement between the parties and cannot be modified in any way except by further agreement in writing, signed by each of the parties hereto.

**5. IMPROVEMENTS TO THE LAND**

5.1 The City and the Purchaser agree that the Purchase Price for the Property includes the following:

- a. Primary electrical power utilities (mains) adjacent to the Property; and
- b. The construction of a public road and storm drainage ditch adjacent the road where applicable. The Purchaser acknowledges that the decision whether and when to pave the road or to complete construction of any of the curbs, gutters or sidewalks shall be at the City's sole discretion.
- c. The construction of a drainage swale at the rear of Lots 21 to 26, Block 907, Plan 4226. The drainage swale must form part of the grading plans to be provided by the Purchasers of these lots in order to ensure proper subdivision drainage.

5.2 The City and the Purchaser agree that development of the Property access and installation of driveway culverts shall be the responsibility and at the sole cost of the Purchaser and shall form part of the Development Permit application submission by the Purchaser. Culverts and site access shall be installed in accordance with the City of Yellowknife standards and be approved by the Department of Public Works prior to installation.

5.3 The City and the Purchaser agree that the Purchase Price for the Property does not include the following:

- a. The cost of trucked water and sewer services or electrical and cable services from the electrical mains to the Property or to any proposed buildings; and
- b. Any cost associated with stripping, grading, drainage, landscaping or site finishing from subgrade to final grade that the City may require the Purchaser to do or that the Purchaser may determine to be necessary to facilitate its development.

**6. DEVELOPMENT REQUIREMENTS AND OPTION**

6.1 The Purchaser acknowledges that the City has only agreed to sell the Property because of the Purchaser's expressed intention to construct its development thereon. Without a commitment to construct, the City would not sell the Property to the Purchaser. It is therefore a Condition Precedent of this Agreement and a fundamental obligation of the Purchaser to ensure that the development is built within the time stated and in

compliance with the conditions of this Agreement and with the development standards, policies and by-laws of the City. The covenant of the Purchaser to so develop is a fundamental term of this agreement running with the Property in favour of the City and shall not merge on transfer of title.

- 6.2 The Purchaser covenants to obtain an **Approved Development Permit** for a *Permitted Use or Conditionally Permitted Use*, for BI – Business Industrial on the Property within **twenty-four (24) months of the Possession Date**.
- 6.3 The Purchaser covenants to complete construction of the development on the Property within **forty-eight (48) months from the Possession Date**. The Purchaser further acknowledges, covenants, and agrees that if the Purchaser fails to satisfy this requirement, the City shall have the option to repurchase the Property in accordance with the Option Agreement attached hereto as Schedule “B”. Concurrently with this Agreement, the Purchaser shall execute and deliver the Option Agreement to the City and the City shall be entitled to register the Option Agreement against title to the Property by way of caveat.
- 6.4 Should any dispute arise as to whether the City is entitled to exercise the option to repurchase the Property granted hereunder, the Council for the City of Yellowknife may appoint a single Arbitrator to whom all questions of fact shall be referred for determination. The decisions of the Arbitrator shall be final and binding. Except as provided herein, the provisions of the *Arbitration Act* of the Northwest Territories shall apply.
- 6.5 In addition, the Purchaser covenants and agrees that it shall not sell, transfer, or lease the Property to any third party without first commencing and completing the construction of the Development in accordance with all applicable building permits, development permits, development agreements, by-laws, regulations, building and safety codes, and restrictions affecting the Property and the Development. The Purchaser further acknowledges that the City shall also have the option to repurchase the Property in accordance with the Option Agreement attached hereto as Schedule “B” in the event that the Purchaser sells, transfers, or leases or purports to sell, transfer, or lease, the Property prior to commencement and completion of the Development as required within this Agreement.
- 6.6 Notwithstanding anything contained in this agreement, if the Purchaser is not able to obtain approval of its intended development plans (provided that such plans are *bona fide* plans suitable to the site), this Agreement shall be terminated and all deposit monies paid by the Purchaser to the City shall be forfeited absolutely to the City as liquidated damages and not as a penalty.
- 6.7 For the purposes of this agreement, development of the Property shall be deemed to be complete when the principal building or structure has been erected, the principal use established and site grading completed in accordance with an Approved Development Permit and an Occupancy Permit for the principal building has been approved, to the

satisfaction of the City's Director of the Department of Planning and Development. For greater certainty, the principal building or structure shall be substantially completed subject only to minor deficiencies or seasonal work, in the opinion of the Director of the Department of Planning and Development, acting reasonably.

- 6.8 The Purchaser hereby acknowledges that he has read and understands this Agreement and all Schedules attached hereto.
- 6.9 The Purchaser acknowledges that it is his responsibility to determine which building permits, development permits, by-laws, regulations, building and safety codes, and restrictions affecting the Property and the Development are relevant and applicable for the purposes of his purchase and development and it is his responsibility to read, gain understanding of and act in full accordance with the same.
- 6.10 Nothing in this Agreement waives and nullifies the Purchaser's obligations to comply with provisions of all applicable federal, territorial and municipal laws, including, but not limited to, the City of Yellowknife Zoning By-law No. 4404, as amended from time to time.

## **7 LOT ASSEMBLY AND CONSOLIDATION**

- 7.1 In the event that a Purchaser buys more than one (1) adjacent lot, the development of the land will determine if the lots must be consolidated under a single title. Thus, consolidation will be regulated through the Development Permit process and as such, may be a condition of the Approved Development Permit.
- 7.2 In the event that the consolidation of adjacent lots under a single title, by Plan of Survey, is a requirement of the Approved Development Permit, the Purchaser shall be responsible for contracting and registering the Plan of Survey (consolidating the lots) and all costs associated therewith.

## **8 SECURITY FOR DEVELOPMENT REQUIREMENTS**

- 8.1 On closing, the Purchaser will deliver to the City a Transfer of Land back into the name of the City to be held in trust for use in accordance with the terms of this Agreement.
- 8.2 The City shall be entitled to register and maintain a caveat or caveats against title to the Property, to protect the City's interest therein and covenants contained in this Agreement to be performed by the Purchaser, until completion of the development and payment of all monies required to be paid hereunder.
- 8.3 Upon completion of the Development to the reasonable satisfaction of the Development Officer and upon the Purchaser complying with the terms and conditions of this Agreement, the City shall issue a Withdrawal of Caveat to be registered by the Purchaser, at the Purchaser's expense, and shall return to the Purchaser the unregistered Transfer of Land into the name of the City.

## **9 DEFAULT OF CONSTRUCTION OBLIGATIONS**

- 9.1 If the Purchaser fails to obtain an Approved Development Permit and complete development within the times provided, the City may declare the Purchaser to be in default of its fundamental obligations under this Agreement. In that event, the City will have the right to:
- a. take immediate possession of the Property;
  - b. register the Transfer of Land, identified in Section 8.1, in the name of the City;
  - c. refund to the Purchaser all amounts paid by it, less:
    - i. all deposits;
    - ii. any expenses incurred by the City in clearing and restoring the Property into its original condition, including all costs necessary to remove any foundations or debris or other material;
    - iii. any sum required to obtain a discharge of mortgage, lien or security interest registered against title;
    - iv. the cost of registering the Transfer of Land back in the name of the City;
    - v. any legal fees or expenses paid by the City to its solicitors as to enforce its rights under this agreement; and
  - d. recover from the Purchaser any expenses or amounts paid by the City under provisions of this paragraph which are in excess of the amounts previously received from the Purchaser by the City.
- 9.2 If the City exercises its remedies under this paragraph, then all improvements erected on the Property shall become the Property of the City and the City shall not have any obligations to compensate the Purchaser for them.
- 9.3 The remedies available in this paragraph shall be in addition to any other remedies which the City may have available.
- 9.4 If the Purchaser fails to complete the Development as required, then, in addition to any of the remedies available to the City at law or under this Agreement, the City may declare the Purchaser to be in default of its fundamental obligations and may require that the Purchaser pay to the City on demand in each calendar year after the date for completion of Development, an amount equal to the difference between the municipal taxes actually levied against the Property and any improvements thereon, and an amount equal to the taxes if the Development had been completed as contemplated hereunder.
