2. A registration fee of \$100 for Chamber members and \$200 for non-members is required to participate.
3. We provide the passport booklets and stamps! Delivery will be on October 17th and 18th, 2019.
4. For every \$20 patrons spend in your business, you give them a stamp on their passport. Customers may receive 1 stamp without purchase.
5. Once 30 stamps are collected, consumers can enter their passport into a draw box at any participating business for a chance to win a \$3000 cash prize, to be spent locally.
6. Participating businesses must provide a draw box where patrons can drop off completed passports. If a business is unable to provide a drop box, patrons should be directed to City Hall. The Yellowknife Chamber of Commerce will pick-up passports on December 3, 4 and 5th, 2019.
