

THE CITY OF YELLOWKNIFE

Letter of Assurance – Form G

Notice of Compliance and Field Review by
Registered Design Professional

To: City of Yellowknife

Permit No.: PR-_____

Date: _____

Project Name

Project Address

Legal Description – Lot: _____ Block: _____ Plan: _____

I, _____

(Registered Design Professional – Agent)

hereby give notice that:

- a. I have fulfilled my obligations for the Field Review as agreed to in the previously submitted Form D and E;
- b. I have enclosed documents supporting all approved changes to the plans and specifications prepared by this Registered Design Professional of record on which the building permit was issued for this project;
- c. The project with the noted changes substantially complies with:
 - i. the applicable requirements of the City of Yellowknife Building By-Law 5058, as amended from time to time (Building By-law);
 - ii. the plans, specifications and other documents submitted in support of the application for the building permit; and
- d. I am a Registered Design Professional as defined in the Building By-law.

NOTES:

1. This letter shall be submitted by the Coordinating Registered Design Professional after completion of the project and before permission to occupy is issued by the City.
2. The term "substantially comply" is used in Field Review because the Coordinating Registered Design Professional does not supervise all the actual construction.
