

Broken Parking Meter? Pothole? Overflowing garbage can?

Report it with

## Use Click & Fix YK to report your non-emergency issue to the City of Yellowknife!

This app uses GPS to locate the problem, allows you to upload photos and video, and track what the City is doing about the issue that you've identified.

**Click & Fix YK** makes reporting simple and transparency better than ever.

**Let's work together to Fix YK!**

### How to get started:

1

Go to the App Store and download Click & Fix YK on your mobile phone. It's also online at [yellowknife.ca](http://yellowknife.ca)

2

Report the location and nature of the issue. Upload a photo or video for additional reference.

3

Check back for updates from the City of Yellowknife regarding your reported issue.
