### Important Information about Garages and Sheds:

Constructing a Shed or Detached Garage more than 75 square metres (807 square feet) in area requires a Development Permit.

Replacing a structure previously approved by a Development Permit with a new structure of the same dimensions does not require this checklist.

Sheds less than 10 square metres (108 square feet) in area or 3 metres in height that are not permanently attached to the ground do not require this checklist.

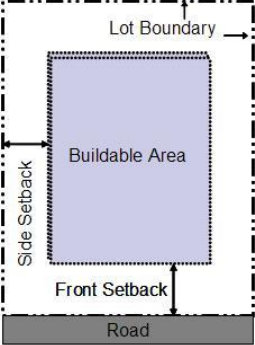

Detached garages and sheds located on corner lots require a minimum side yard setback of two metres on the flanking street side.

The face of the garage door must be located a minimum of 6 metres from any public right of way.

A Detached Garage or Shed may require a Development Permit at the discretion of the Development Officer.

Constructing a Detached Garage or Shed requires a Building Permit.

*Residents requiring assistance with this form may come to City Hall from Monday to Friday between 8:30 AM – 4:30 PM, OR call 920-5600 and ask to speak to a Planner/Development Officer, OR e-mail [permits@yellowknife.ca](mailto:permits@yellowknife.ca). Information is also available through the Planning and Development Department Website.*
